

Workshop on participatory
approaches for territorial
cohesion

SALVEMOS LA VEGA

A SOCIAL PLATFORM EXPERIENCE IN THE
DEFENSE OF THE GRANADA'S HISTORIC
AGRARIAN TERRITORY.

DESCRIPTION OF THE CASE OF STUDY

PLACE AND CHARACTERISTIC

THE VEGA OF GRANADA

LOCATION

The depression of the Genil River
and its affluents.

HISTORICALLY

Socio-economic and
environmental engine and source
of welfare for the locals.

Different civilizations taking care
of the legacy.

HISTORICAL BALANCE WAS BROKEN

Urban speculation.

CONFLICTS, PROBLEMS, THREATS OF EACH RURAL CASE

Concentration of population since the 90s.

Significant impacts in the agroecosystem.

The movement in defense of the Vega start operating.

Founding Manifesto the Salvemos la Vega in 2005.

2007-12: period of mobilizations.

VegaEduca project emerged in 2008.

2014: Salvemos la Vega and VegaEduca united.

OBJECTIVES AND CHALLENGES

OBJECTIVES

Protection of the territory
and the locals.

Dynamization to be a source of
employment and wealth

CHALLENGES

The abandonment of the farmland

There is not a basic state law that
protects fertile soils against
speculative practices

METHODS AND TECHNIQUES

UNION

Open participation of
different collectives.

PACT

From its signature it
constitutes a guide to
follow to fulfill the
objectives.

EDUCATION

Social awareness
activities.

ROLE OF LOCAL COMMUNITIES

- Local communities are main actors.
- Platform is just a tool.
- Involvement of farmers, young people, students and teachers.

RESULTS: REACHED AND NOT REACHED

PACT FOR THE VEGA

FEDERATION INTERVEGAS

"PLAN ESPECIAL PARA LA
VEGA DE GRANADA" BY THE
ANDALUSIAN PARLIAMENT

There is still much to be done...
