

# Participatory activities on Rural Heritage Sierra Nevada (Spain)

## OBJECTIVE:

Reinforce social  
participation of local  
communities

## WHY:

To manage and preserve  
the heritage, cultural and  
environmental values

## HOW:

### Irrigators Communities Activities

These activities contribute to spread the importance of rural heritage and dignification of agricultural work

### Community Archaeology

In the context of Mojácar la Vieja Archaeological excavation we promote the approach to heritage of the community

### Transversal Activities

Collaboration with rural communities by meetings and workshops to increase empowerment and  
heritage issues assessment
