

REACH Opening Conference Budapest, 10-11 May 2018 Hungarian National Museum

Registration to the REACH Opening Conference

Dear Associate Partners,

Apologies: the deadline for posters submission is extended until the 10th of April 2018.

Registration is now open to attend the [REACH Opening Conference!](#)

The REACH project (RE-designing Access to Cultural Heritage for a wider participation in preservation, (re-)use and management of European culture) is coordinated by Coventry University and funded by the European Union in the framework of the Horizon2020 programme.

The conference, organised by ELTE University, Eötvös Loránd

Tudományegyetem, will take place on 10th and 11th May 2018 in Budapest, kindly hosted by the Hungarian National Museum, and will introduce the scope of the REACH project.

The programme is now available to view on the REACH website and includes a rich mixture of skills and experiences; it offers a great opportunity to discuss and compare successful examples of participatory processes and reflect on the role of Cultural Heritage in cohesion and social integration.

The two day event will introduce the work of the project's four thematic pilots, which have the goal to advocate for the socio-economic value of civic participation in the conservation, (re-)use and management of Cultural Heritage. The event will also host a poster/video session dedicated to innovative and creative projects on the theme of resilient communities and social participation, in order to

showcase the results obtained from establishing a participatory and resilient cultural environment.

We are pleased to invite you to participate in the [call for posters](#) by completing the [participation form](#). The deadline is extended until the ~~10th of May 2018~~.

10th of April 2018
